

## 10 Reasons Why You Should Buy From:

**1** *Years of Expertise*  
When it comes to imaging ink and toner supplies, *we* hold the expertise.

We are Direct Manufacturers. We make it, and we sell it – so we know what it takes. Many products that other companies sell, we actually make and sell to them to sell to you. Why not deal direct?

**2** *Feel the Savings!*  
At World Wide Imaging Supplies, you can save significant amounts of money buying directly from us because we make, warehouse, and distribute the product straight to you! Skip the retailers, and the middle-men. With the third-party out of the way, the savings are yours to keep. Why pay more? Call us today!

**3** *Time is Money*  
You can save considerable amounts of time buying from us because we are a one-stop shop with lightning fast service. We usually have everything you need right here in one of our warehouses. We have 7 throughout the US to get you everything you need fast! Most items ship out the day you order them. No wasting gas driving to the store!

**4** *Ultimate Quality*  
You can rest assured that you are getting ultimate quality product. Our mastery in the design and engineering delivers products with sure, dependable high quality. Regular extensive performance audits are administered during production; and print quality and life testing ensure the end product's success.

**5** *Compatibles*  
The smart way is the Compatible Way! These are the best savings. Almost all brand name cartridges have compatible cartridges available. And we supply them to you for substantial savings with the same 100% guaranteed quality. Our ISO 9001 & STMC certified products are specially designed and fabricated to meet or surpass OEM performance – Guaranteed.

**6** *Premium Service*  
World Wide Imaging Supplies always gives VIP Customer Service to each of our customers. Every customer has a designated Sales Specialist dedicated to helping them answer questions, place orders, or follow up for 100% Customer Satisfaction. Call us today to meet your sales specialist and join the WW family!

**7** *Your Advantage*  
You have the Advantage of convenience. And what is more convenient than being able to email, fax or call your personal sales specialist for in most cases same day order processing, confirmation and shipment. We are working for you no matter the situation. Simply give us a call, email or fax! Toll Free: (866) 497-4617. Fax: (210) 495-5458 Sales@WorldWideImagingSupplies.com

**8** *Delivery*  
After we process and confirm your order, our advanced technological delivery system begins. Your order is taken from the warehouse and carefully sealed and packaged to prevent any shipping damage. World Wide Imaging Supplies carries well over 30,000 different products and complete over 90% of our orders within 24 hrs!

**9** *Reliability*  
World Wide Imaging Supplies started off family-owned and operated. We still hold on to those same values, and consider every customer as a member of our World Wide Family. We understand the importance of being able to trust your vendor, and have complete faith that our company is the smartest balance of price, quality, and customer service available.

**10** *Guarantee*
