Replacement cartridges

Good for performance and conservation.

Our replacement cartridges keep plastic out of the waste stream. While they contain new and reprocessed components, all critical xerographic components are 100% new. Our cartridges feature Xerox specified and approved toner, as well as new photoreceptors, cleaning blades, certified developer roll sleeves and more.

Triple tested for quality assurance.

Our Xerox Replacement Cartridges are triple tested for manufacturing quality. We perform life testing in our labs to ensure that cartridges are meeting our quality specs from first print to last. Then, every cartridge is print tested before packaging. Periodic, random cartridge audits ensure consistent quality each and every time.

100% risk-free warranty.

Each replacement cartridge is backed by the Xerox Total Performance Warranty. If you're not satisfied, we're not satisfied. Experience real value that works for you.
